THIS NOTICE DOES NOT GRANT ANY COVERAGE OR CHANGE THE TERMS AND CONDITIONS OF ANY COVERAGE UNDER THE POLICY. IF THERE IS ANY CONFLICT BETWEEN YOUR POLICY AND THIS NOTICE, THE PROVISIONS OF YOUR POLICY SHALL PREVAIL.

POLICYHOLDER DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE and PREMIUM

Coverage for acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act, as amended in 2015, the definition of act of terrorism has changed. As defined in Section 102(1) of the Act: The term "act of terrorism" means any act or acts that are certified by the Secretary of the Treasury - in consultation with the Secretary of Homeland Security, and the Attorney General of the United States - to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019 and 80% beginning on January 1, 2020, of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

PREMIUM CHARGED

During your current policy period, the portion, if any, of your premium that is attributable to coverage for acts of terrorism as defined in the Act is \$_____ (refer to Common Policy Declarations if blank).

If you do not desire the coverage for acts of terrorism as defined in the Act, as amended, you may reject the coverage and instruct the insurance company to remove it and refund the premium described above. **To reject the coverage, you must:**

- 1) advise the insurance company by letter (on your company letterhead),
- 2) signed by the owner, representative, or properly designated official of the named insured.

The insurance company must receive your letter within 60 days from the date shown at the bottom right side of the forms titled "Common Policy Declarations". Please refer to "Common Policy Declarations" for the mailing address of the insurance company.

If your policy premium is \$500, that may represent a minimum premium. In that case, the portion that is attributable to acts of terrorism as defined in the Act, as amended, may be included within that minimum and your total premium will not be reduced if you reject coverage for acts of terrorism. The minimum premium will still apply.

Should you have any question regarding this notice, please contact your insurance agent.

The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
 - (b) Remove debris of property owned by or leased to the landlord of the building where your described premises are located, unless you have a contractual responsibility to insure such property and it is insured under this policy;
 - (c) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;
 - (d) Remove property of others of a type that would not be Covered Property under this policy;
 - (e) Remove deposits of mud or earth from the grounds of the described premises;
 - (f) Extract "pollutants" from land or water; or
 - (g) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:

- (a) The most that we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to Paragraph (3)(a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.
- (4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
- (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
 - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if Paragraphs (4)(a) and/or (4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

(5) Examples

Example #1

Limit of Insurance \$ 90,000

Amount of Deductible \$ 500
Amount of Loss \$ 50,000
Amount of Loss Payable \$ 49,500
 (\$50,000 - \$500)
Debris Removal Expense \$ 10,000
Debris Removal Expense
Payable \$ 10,000
(\$10,000 is 20% of \$50,000)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

Example #2

Limit of Insurance \$ 90,000
Amount of Deductible \$ 500
Amount of Loss \$ 80,000
Amount of Loss Payable \$ 79,500
 (\$80,000 - \$500)
Debris Removal Expense \$ 40,000
Debris Removal Expense
Payable
 Basic Amount \$ 10,500
 Additional Amount \$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + 500) x .25 = \$20,000; capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 is 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph (4). Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss of or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$2,500 for service at each premises described in the Declarations, unless a different limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

d. Collapse

The coverage provided under this Additional Coverage - Collapse applies only to an abrupt collapse as described and limited in Paragraphs **d.(1)** through **d.(7)**.

- (1) For the purpose of this Additional Coverage - Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.
- (2) We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this policy or that contains Covered Property insured under this policy, if such collapse is caused by one or more of the following:

(a) Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;

(b) Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;

(c) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.

(d) Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:

(i) A cause of loss listed in Paragraph **(2)(a)** or **(2)(b)**;

(ii) One or more of the "specified causes of loss";

(iii) Breakage of building glass;

(iv) Weight of people or personal property; or

(v) Weight of rain that collects on a roof.

(3) This Additional Coverage - Collapse does **not** apply to:

(a) A building or any part of a building that is in danger of falling down or caving in;

(b) A part of a building that is standing, even if it has separated from another part of the building; or

(c) A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

(4) With respect to the following property:

(a) Awnings;

- (b) Gutters and downspouts;
- (c) Yard fixtures;
- (d) Outdoor swimming pools;
- (e) Piers, wharves and docks;
- (f) Beach or diving platforms or appurtenances;
- (g) Retaining walls; and
- (h) Walks, roadways and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in Paragraphs (2)(a) through (2)(d), we will pay for loss or damage to that property only if such loss or damage is a direct result of the abrupt collapse of a building insured under this policy and the property is Covered Property under this policy.

- (5) If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
 - (a) The collapse of personal property was caused by a cause of loss listed in Paragraphs (2)(a) through (2)(d) of this Additional Coverage;
 - (b) The personal property which collapses is inside a building; and
 - (c) The property which collapses is not of a kind listed in Paragraph (4), regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph (5) does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

- (6) This Additional Coverage - Collapse does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

- (7) This Additional Coverage - Collapse will not increase the Limits of Insurance provided in this policy.
- (8) The term Covered Cause of Loss includes the Additional Coverage - Collapse as described and limited in Paragraphs d.(1) through d.(7).

e. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes.

We will not pay the cost to repair any defect that caused the loss or damage, but we will pay the cost to repair or replace damaged parts of fire extinguishing equipment if the damage:

- (1) Results in discharge of any substance from an automatic fire protection system; or
- (2) Is directly caused by freezing.

f. Business Income

(1) Business Income

- (a) We will pay for the actual loss of Business Income you sustain due to the necessary suspension of your "operations" during the "period of restoration". The suspension must be caused by direct physical loss of or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of such premises.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of a building, your premises mean:

- (i) The portion of the building which you rent, lease or occupy;

- (ii) The area within 100 feet of the building or within 100 feet of the premises described in the Declarations, whichever distance is greater (with respect to loss of or damage to personal property in the open or personal property in a vehicle); and
 - (iii) Any area within the building or at the described premises, if that area services, or is used to gain access to, the portion of the building which you rent, lease or occupy.
- (b) We will only pay for loss of Business Income that you sustain during the "period of restoration" and that occurs within 12 consecutive months after the date of direct physical loss or damage. We will only pay for ordinary payroll expenses for 60 days following the date of direct physical loss or damage, unless a greater number of days is shown in the Declarations.
- (c) Business Income means the:
- (i) Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of the Covered Cause of Loss on customers or on other businesses; and
 - (ii) Continuing normal operating expenses incurred, including payroll.
- (d) Ordinary payroll expenses:
- (i) Means payroll expenses for all your employees except:
 - i. Officers;
 - ii. Executives;
 - iii. Department Managers;
 - iv. Employees under contract; and
 - v. Additional Exemptions shown in the Declarations as:
 - Job Classifications; or
 - Employees.
 - (ii) Include:
 - i. Payroll;
 - ii. Employee benefits, if directly related to payroll;
 - iii. FICA payments you pay;
 - iv. Union dues you pay; and
 - v. Workers' compensation premiums.
- (2) **Extended Business Income**
- (a) If the necessary suspension of your "operations" produces a Business Income loss payable under this policy, we will pay for the actual loss of Business Income you incur during the period that:
- (i) Begins on the date property except finished stock is actually repaired, rebuilt or replaced and "operations" are resumed; and
 - (ii) Ends on the earlier of:
 - i. The date you could restore your "operations", with reasonable speed, to the level which would generate the Business Income amount that would have existed if no direct physical loss or damage had occurred; or

- ii. 60 consecutive days after the date determined in Paragraph (a)(i) above, unless a greater number of consecutive days is shown in the Declarations.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by the impact of the Covered Cause of Loss in the area where the described premises are located.

- (b) Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

(3) With respect to the coverage provided in this Additional Coverage, suspension means:

- (a) The partial slowdown or complete cessation of your business activities; or
- (b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.

(4) This Additional Coverage is not subject to the Limits of Insurance of Section I - Property.

g. Extra Expense

- (1) We will pay necessary Extra Expense you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property at the described premises. The loss or damage must be caused by or result from a Covered Cause of Loss. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the described premises include the area within 100 feet of such premises.

With respect to the requirements set forth in the preceding paragraph, if you occupy only

part of a building, your premises mean:

- (a) The portion of the building which you rent, lease or occupy;
- (b) The area within 100 feet of the building or within 100 feet of the premises described in the Declarations, whichever distance is greater (with respect to loss of or damage to personal property in the open or personal property in a vehicle); and
- (c) Any area within the building or at the described premises, if that area services, or is used to gain access to, the portion of the building which you rent, lease or occupy.

(2) Extra Expense means expense incurred:

- (a) To avoid or minimize the suspension of business and to continue "operations":
 - (i) At the described premises; or
 - (ii) At replacement premises or at temporary locations, including relocation expenses, and costs to equip and operate the replacement or temporary locations.
- (b) To minimize the suspension of business if you cannot continue "operations".

(c) To:

- (i) Repair or replace any property; or
- (ii) Research, replace or restore the lost information on damaged "valuable papers and records";

to the extent it reduces the amount of loss that otherwise would have been payable under this Additional Coverage or Additional Coverage f. Business Income.

(3) With respect to the coverage provided in this Additional Coverage, suspension means:

- (a) The partial slowdown or complete cessation of your business activities; or
- (b) That a part or all of the described premises is rendered untenable, if coverage for Business Income applies.

(4) We will only pay for Extra Expense that occurs within 12 consecutive months after the date of direct physical loss or damage. This Additional Coverage is not subject to the Limits of Insurance of Section I - Property.

h. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay for each location under this Additional Coverage is \$10,000 for the sum of all such expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

i. Civil Authority

When a Covered Cause of Loss causes damage to property other than property at the described premises, we will pay for the actual loss of Business Income you sustain and necessary Extra Expense caused by action of civil authority that prohibits access to the described premises, provided that both of the following apply:

- (1) Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the described

premises are within that area but are not more than one mile from the damaged property; and

- (2) The action of civil authority is taken in response to dangerous physical conditions resulting from the damage or continuation of the Covered Cause of Loss that caused the damage, or the action is taken to enable a civil authority to have unimpeded access to the damaged property.

Civil Authority Coverage for Business Income will begin 72 hours after the time of the first action of civil authority that prohibits access to the described premises and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority Coverage for necessary Extra Expense will begin immediately after the time of the first action of civil authority that prohibits access to the described premises and will end:

- (1) Four consecutive weeks after the date of that action; or
- (2) When your Civil Authority Coverage for Business Income ends;

whichever is later.

The definitions of Business Income and Extra Expense contained in the Business Income and Extra Expense Additional Coverages also apply to this Civil Authority Additional Coverage. The Civil Authority Additional Coverage is not subject to the Limits of Insurance of Section I - Property.

j. Money Orders And "Counterfeit Money"

We will pay for loss resulting directly from your having accepted in good faith, in exchange for merchandise, "money" or services:

- (1) Money orders issued by any post office, express company or bank that are not paid upon presentation; or
- (2) "Counterfeit money" that is acquired during the regular course of business.

The most we will pay for any loss under this Additional Coverage is \$1,000.

k. Forgery Or Alteration

- (1) We will pay for loss resulting directly from forgery or alteration of any check, draft, promissory note, bill of exchange or similar written promise of payment in "money" that you or your agent has issued, or that was issued by someone who impersonates you or your agent.
- (2) If you are sued for refusing to pay the check, draft, promissory note, bill of exchange or similar written promise of payment in "money", on the basis that it has been forged or altered, and you have our written consent to defend against the suit, we will pay for any reasonable legal expenses that you incur in that defense.
- (3) For the purpose of this coverage, check includes a substitute check as defined in the Check Clearing for the 21st Century Act and will be treated the same as the original it replaced.
- (4) The most we will pay for any loss, including legal expenses, under this Additional Coverage is \$2,500, unless a higher Limit Of Insurance is shown in the Declarations.

l. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings insured on a replacement cost basis.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in Paragraphs (3) through (9) of this Additional Coverage.
- (3) The ordinance or law referred to in Paragraph (2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.

- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
 - (a) You were required to comply with before the loss, even when the building was undamaged; and
 - (b) You failed to comply with.
- (5) Under this Additional Coverage, we will not pay for:
 - (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungi", wet rot or dry rot; or
 - (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungi", wet rot or dry rot.
- (6) The most we will pay under this Additional Coverage, for each described building insured under Section I - Property, is \$10,000. If a damaged building(s) is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for each damaged building, is \$10,000.

The amount payable under this Additional Coverage is additional insurance.
- (7) With respect to this Additional Coverage:
 - (a) We will not pay for the Increased Cost of Construction:
 - (i) Until the property is actually repaired or replaced, at the same or another premises; and

(ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

(b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction is the increased cost of construction at the same premises.

(c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction is the increased cost of construction at the new premises.

(8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion, to the extent that such exclusion would conflict with the provisions of this Additional Coverage.

(9) The costs addressed in the Loss Payment Property Loss Condition in Section I - Property do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in Paragraph (6) of this Additional Coverage, is not subject to such limitation.

m. Business Income From Dependent Properties

(1) We will pay for the actual loss of Business Income you sustain due to physical loss or damage at the premises of a dependent property or secondary dependent property caused by or resulting from any Covered Cause of Loss.

However, this Additional Coverage does not apply when the only loss at the premises of a dependent property or secondary dependent property is loss or damage to "electronic data",

including destruction or corruption of "electronic data". If the dependent property or secondary dependent property sustains loss or damage to "electronic data" and other property, coverage under this Additional Coverage will not continue once the other property is repaired, rebuilt or replaced.

The most we will pay under this Additional Coverage is \$5,000 unless a higher Limit Of Insurance is indicated in the Declarations.

(2) We will reduce the amount of your Business Income loss, other than Extra Expense, to the extent you can resume "operations", in whole or in part, by using any other available:

(a) Source of materials; or

(b) Outlet for your products.

(3) If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

(4) Dependent property means property owned by others whom you depend on to:

(a) Deliver materials or services to you, or to others for your account. But services does not mean water supply services, wastewater removal services, communication supply services or power supply services;

(b) Accept your products or services;

(c) Manufacture your products for delivery to your customers under contract for sale; or

(d) Attract customers to your business.

The dependent property must be located in the coverage territory of this policy.

(5) Secondary dependent property means an entity which is not owned or operated by a dependent property and which;

- (a) Delivers materials or services to a dependent property, which in turn are used by the dependent property in providing materials or services to you; or
- (b) Accepts materials or services from a dependent property, which in turn accepts your materials or services.

A road, bridge, tunnel, waterway, airfield, pipeline or any other similar area or structure is not a secondary dependent property.

Any property which delivers any of the following services is not a secondary dependent property with respect to such services:

- (i) Water supply services;
- (ii) Wastewater removal services;
- (iii) Communication supply services; or
- (iv) Power supply services.

The secondary dependent property must be located in the coverage territory of this policy.

- (6) The coverage period for Business Income under this Additional Coverage:
 - (a) Begins 72 hours after the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the premises of the dependent property or secondary dependent property; and
 - (b) Ends on the date when the property at the premises of the dependent property or secondary dependent property should be repaired, rebuilt or replaced with reasonable speed and similar quality.
- (7) The Business Income coverage period, as stated in Paragraph (6), does not include any increased period required due to the enforcement of or compliance with any ordinance or law that:
 - (a) Regulates the construction, use or repair, or requires

the tearing down of any property; or

- (b) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this policy will not reduce the Business Income coverage period.

- (8) The definition of Business Income contained in the Business Income Additional Coverage also applies to this Business Income From Dependent Properties Additional Coverage.

n. Glass Expenses

- (1) We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
- (2) We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

o. Fire Extinguisher Systems Recharge Expense

- (1) We will pay:
 - (a) The cost of recharging or replacing, whichever is less, your fire extinguishers and fire extinguishing systems (including hydrostatic testing if needed) if they are discharged on or within 100 feet of the described premises; and
 - (b) For loss or damage to Covered Property if such loss or damage is the result of an accidental discharge of chemicals from a fire extinguisher or a fire extinguishing system.
- (2) No coverage will apply if the fire extinguishing system is discharged during installation or testing.
- (3) The most we will pay under this Additional Coverage is \$5,000 in any one occurrence.

p. Electronic Data

- (1) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore "electronic data" which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that "electronic data" is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the "electronic data" was stored, with blank media of substantially identical type.
- (2) The Covered Causes of Loss applicable to Business Personal Property include a computer virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.
- (3) The most we will pay under this Additional Coverage - Electronic Data for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved, is \$10,000, unless a higher Limit Of Insurance is shown in the Declarations. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in, but not after, that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

- (4) This Additional Coverage does not apply to your "stock" of pre-packaged software, or to "electronic data" which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.

q. Interruption Of Computer Operations

- (1) Subject to all provisions of this Additional Coverage, you may extend the insurance that applies to Business Income and Extra Expense to apply to a suspension of "operations" caused by an interruption in computer operations due to destruction or corruption of "electronic data" due to a Covered Cause of Loss.
- (2) With respect to the coverage provided under this Additional Coverage, the Covered Causes of Loss are subject to the following:
 - (a) Coverage under this Additional Coverage - Interruption Of Computer Operations is limited to the "specified causes of loss" and Collapse.
 - (b) If the Businessowners Coverage Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage.
 - (c) The Covered Causes of Loss include a computer virus, harmful code or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for an interruption related to manipulation of a computer system (including "electronic data") by any employee, including a temporary or leased employee, or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair or replace that system.

- (3) The most we will pay under this Additional Coverage - Interruption Of Computer Operations for all loss sustained and expense incurred in any one policy year, regardless of the number of interruptions or the number of premises, locations or computer systems involved, is \$10,000 unless a higher Limit Of Insurance is shown in the Declarations. If loss payment relating to the first interruption does not exhaust this amount, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions in that policy year. A balance remaining at the end of a policy year does not increase the amount of insurance in the next policy year. With respect to any interruption which begins in one policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.
- (4) This Additional Coverage - Interruption Of Computer Operations does not apply to loss sustained or expense incurred after the end of the "period of restoration", even if the amount of insurance stated in (3) above has not been exhausted.
- (5) Coverage for Business Income does not apply when a suspension of "operations" is caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.
- (6) Coverage for Extra Expense does not apply when action is taken to avoid or minimize a suspension of "operations" caused by destruction or corruption of "electronic data", or any loss or damage to "electronic data", except as provided under Paragraphs (1) through (4) of this Additional Coverage.
- (7) This Additional Coverage does not apply when loss or damage to "electronic data" involves only "electronic data" which is integrated in and operates or controls a building's elevator, lighting, heating, ventilation, air conditioning or security system.

r. Limited Coverage For "Fungi", Wet Rot Or Dry Rot

- (1) The coverage described in Paragraphs r.(2) and r.(6) only applies when the "fungi", wet rot or dry rot is the result of a "specified cause of loss" other than fire or lightning that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

- (2) We will pay for loss or damage by "fungi", wet rot or dry rot. As used in this Limited Coverage, the term loss or damage means:
 - (a) Direct physical loss or damage to Covered Property caused by "fungi", wet rot or dry rot, including the cost of removal of the "fungi", wet rot or dry rot;
 - (b) The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungi", wet rot or dry rot; and
 - (c) The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungi", wet rot or dry rot is present.
- (3) The coverage described under this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungi", wet rot or dry rot, we will not pay more than the total of \$15,000 even if the "fungi", wet rot or dry rot continues to be present or active, or recurs, in a later policy period.

- (4) The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungi", wet rot or dry rot, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungi", wet rot or dry rot, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungi", wet rot or dry rot causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

- (5) The terms of this Limited Coverage do not increase or reduce the coverage provided under the Water Damage, Other Liquids, Powder Or Molten Material Damage or Collapse Additional Coverages.
- (6) The following applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the suspension of "operations" satisfies all the terms and conditions of the applicable Business Income and/or Extra Expense Additional Coverage:
- (a) If the loss which resulted in "fungi", wet rot or dry rot does not in itself necessitate a suspension of "operations", but such suspension is necessary due to loss or damage to property caused by "fungi", wet rot or dry rot, then our payment under the Business Income and/or Extra Expense Additional Coverages is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
- (b) If a covered suspension of "operations" was caused by loss or damage other than "fungi", wet rot or dry rot, but remediation of "fungi", wet rot or dry rot prolongs

the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

- b. Employee Dishonesty;
- c. Outdoor Signs; and
- d. Forgery or Alteration.

But this Optional Coverage Deductible will not increase the Deductible shown in the Declarations. This Deductible will be used to satisfy the requirements of the Deductible in the Declarations.

3. No deductible applies to the following Additional Coverages:

- a. Fire Department Service Charge;
- b. Business Income;
- c. Extra Expense;

d. Civil Authority; and

e. Fire Extinguisher Systems Recharge Expense.

E. Property Loss Conditions

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the amount of the loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance of Section I - Property. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

(5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.

(6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

(7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.

(8) Cooperate with us in the investigation or settlement of the claim.

(9) Resume all or part of your "operations" as quickly as possible.

b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Legal Action Against Us

No one may bring a legal action against us under this insurance unless:

a. There has been full compliance with all of the terms of this insurance; and

b. The action is brought within two years after the date on which the direct physical loss or damage occurred.

5. Loss Payment

In the event of loss or damage covered by this policy:

a. At our option, we will either:

(1) Pay the value of lost or damaged property;

(2) Pay the cost of repairing or replacing the lost or damaged property;

(3) Take all or any part of the property at an agreed or appraised value; or

(4) Repair, rebuild or replace the property with other property of like kind and quality, subject to Paragraph d.(1)(e) below.

b. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.

c. We will not pay you more than your financial interest in the Covered Property.

d. Except as provided in Paragraphs (2) through (7) below, we will determine the value of Covered Property as follows:

(1) At replacement cost without deduction for depreciation, subject to the following:

(a) If, at the time of loss, the Limit of Insurance on the lost or damaged property is 80% or more of the full replacement cost of the property immediately before the loss, we will pay the cost to repair or replace, after application of the deductible and without deduction for depreciation, but not more than the least of the following amounts:

(i) The Limit of Insurance under Section I - Property that applies to the lost or damaged property;

(ii) The cost to replace, on the same premises, the lost or damaged property with other property:

i. Of comparable material and quality; and

ii. Used for the same purpose; or

(iii) The amount that you actually spend that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost is limited to the cost which would have been incurred had the building been built at the original premises.

(b) If, at the time of loss, the Limit of Insurance applicable to the lost or damaged property is less than 80% of the full replacement cost of the property immediately before the loss, we will pay the greater of the following amounts, but not more than the Limit of Insurance that applies to the property:

- (i) The actual cash value of the lost or damaged property; or
- (ii) A proportion of the cost to repair or replace the lost or damaged property, after application of the deductible and without deduction for depreciation. This proportion will equal the ratio of the applicable Limit of Insurance to 80% of the full replacement cost of the property.

Example

The full replacement cost of property which suffers a total loss is \$100,000. The property is insured for \$70,000. 80% of the full replacement cost of the property immediately before the loss is \$80,000 ($\$100,000 \times .80 = \$80,000$). A partial loss of \$25,000 is sustained. The amount of recovery is determined as follows:

Amount of recovery

$$\begin{array}{r} \$70,000 \div \$80,000 = \\ .875 \end{array}$$

$$\begin{array}{r} .875 \times \$25,000 = \\ \$21,875 \end{array}$$

(c) You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim on a replacement cost basis if you notify us of your intent to do so within 180 days after the loss or damage.

(d) We will not pay on a replacement cost basis for any loss or damage:

- (i) Until the lost or damaged property is actually repaired or replaced; and
- (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

However, if the cost to repair or replace the damaged building property is \$2,500 or less, we will settle the loss according to the provisions of Paragraph **d.(1)(a)** and **d.(1)(b)** above whether or not the actual repair or replacement is complete.

(e) The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

(2) If the Actual Cash Value - Buildings option applies, as shown in the Declarations, Paragraph (1) above does not apply to Buildings. Instead, we will determine the value of Buildings at actual cash value.

(3) The following property at actual cash value:

(a) Used or secondhand merchandise held in storage or for sale;

(b) Property of others. However, if an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance;

(c) Household contents, except personal property in apartments or rooms furnished by you as landlord;

- (d) Manuscripts; and
 - (e) Works of art, antiques or rare articles, including etchings, pictures, statuary, marble, bronzes, porcelain and bric-a-brac.
- (4) Glass at the cost of replacement with safety glazing material if required by law.
- (5) Tenants' improvements and betterments at:
- (a) Replacement cost if you make repairs promptly.
 - (b) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
 - (i) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (ii) Divide the amount determined in (i) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.
 - (c) Nothing if others pay for repairs or replacement.
- (6) Applicable only to the Optional Coverages:
- (a) "Money" at its face value; and
 - (b) "Securities" at their value at the close of business on the day the loss is discovered.
- (7) Applicable only to accounts receivable:
- (a) If you cannot accurately establish the amount of accounts receivable outstanding as of the time of loss or damage:
 - (i) We will determine the total of the average monthly amounts of accounts receivable for

the 12 months immediately preceding the month in which the loss or damage occurs; and

- (ii) We will adjust that total for any normal fluctuations in the amount of accounts receivable for the month in which the loss or damage occurred or for any demonstrated variance from the average for that month.
 - (b) The following will be deducted from the total amount of accounts receivable, however that amount is established:
 - (i) The amount of the accounts for which there is no loss or damage;
 - (ii) The amount of the accounts that you are able to reestablish or collect;
 - (iii) An amount to allow for probable bad debts that you are normally unable to collect; and
 - (iv) All unearned interest and service charges.
- e. Our payment for loss of or damage to personal property of others will only be for the account of the owners of the property. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, provided you have complied with all of the terms of this policy, and:
- (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made.

h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

6. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, you may retain the property. But then you must return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limits of Insurance of Section I - Property.

7. Resumption Of Operations

We will reduce the amount of your:

- a. Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.
- b. Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.

8. Vacancy

a. Description Of Terms

- (1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in Paragraphs (a) and (b) below:
 - (a) When this policy is issued to a tenant, and with respect to that tenant's inter-

est in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

- (b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

- (i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or
- (ii) Used by the building owner to conduct customary operations.

- (2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- (a) Vandalism;
- (b) Sprinkler leakage, unless you have protected the system against freezing;
- (c) Building glass breakage;
- (d) Water damage;
- (e) Theft; or
- (f) Attempted theft.

- (2) With respect to Covered Causes of Loss other than those listed in Paragraphs (1)(a) through (1)(f) above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

F. Property General Conditions

1. Control Of Property

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Form at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

2. Mortgageholders

- a. The term "mortgageholder" includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this policy, the mortgageholder will still have the right to receive loss payment if the mortgageholder:

- (1) Pays any premium due under this policy at our request if you have failed to do so;
- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this policy will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this policy:
 - (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:

- (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
- (2) 30 days before the effective date of cancellation if we cancel for any other reason.

- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

 - h. If you (or any predecessor in interest) sustained loss or damage during the policy period of any prior insurance that you could have recovered under that insurance except that the time within which to discover loss or damage had expired, we will pay for it under this Optional Coverage, provided:

However, coverage provided by this Optional Coverage may be reinstated for loss from a mechanical breakdown or electrical failure to that pressure, mechanical or electrical machinery and equipment if the reasons for the suspension are found by any of our representatives to no longer exist.

We may suspend or reinstate this Optional coverage by mailing or delivering a written notification regarding the suspension or reinstatement to:

- (1) Your last known address; or

c. Water damage means:

(1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of any part of a system or appliance (other than a sump system including its related equipment and parts) containing water or steam; and

(2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the described premises and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in c.(1) or c.(2) of this definition of "specified causes of loss", such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the ground surface.

13. "Stock" means merchandise held in storage or for sale, raw materials and in-process or finished goods, including supplies used in their packing or shipping.
14. "Valuable papers and records" means inscribed, printed or written:
 - a. Documents;
 - b. Manuscripts; and
 - c. Records;including abstracts, books, deeds, drawings, films, maps or mortgages.

But "valuable papers and records" does not mean "money" or "securities".

SECTION II - LIABILITY

1. Business Liability

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury", "property damage" or "personal and advertising injury" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages or "bodily injury", "prop-

erty damage" or "personal and advertising injury" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" or any offense and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Paragraph D. - Liability And Medical Expenses Limits Of Insurance in Section II - Liability; and
- (2) Our right and duty to defend end when we have used up the applicable Limit of Insurance in the payment of judgments or settlements or medical expenses.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Paragraph f. Coverage Extension - Supplementary Payments.

b. This insurance applies:

- (1) To "bodily injury" and "property damage" only if:
 - (a) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
 - (b) The "bodily injury" or "property damage" occurs during the policy period; and
 - (c) Prior to the policy period, no insured listed under Paragraph C.1. Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known before the policy period.

- (2) To "personal and advertising injury" caused by an offense arising out of your business, but only if the offense was committed in the "coverage territory" during the policy period.
- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph C.1. Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of "bodily injury" or "property damage" after the end of the policy period.
- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph C.1. Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:
- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
 - (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
 - (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.
- e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".
- f. **Coverage Extension - Supplementary Payments**
- (1) We will pay, with respect to any claim we investigate or settle, or any "suit" against an insured we defend:

 - (e) All court costs taxed against the insured in the "suit". However, these payments do not include attorneys' fees or attorneys' expenses taxed against the insured.
 - (f) Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the Limit of Insurance, we will not pay any prejudgment interest based on that period of time after the offer.
 - (g) All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within our Limit of Insurance.
- These payments will not reduce the limit of liability.
- (2) If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:
 - (a) The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";

- (b) This insurance applies to such liability assumed by the insured;
 - (c) The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";
 - (d) The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interests of the indemnitee;

 - ii. Conduct and control the defense of the indemnitee in such "suit".
- (3) So long as the conditions in Paragraph (2) are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph **B.1.b.(2) Exclusions in Section II - Liability**, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the Limits of Insurance.
- Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when:
- (a) We have used up the applicable Limit of Insurance in the payment of judgments or settlements; or
 - (b) The conditions set forth above, or the terms of the agreement described in Paragraph (2)(f) above, are no longer met.

2. Medical Expenses

(a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and

For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

Number Of Hours' Waiting Period For Period Of Restoration Applicable To Business Income And Extra Expense Optional Coverage:					
*Do not enter a Combined Limit of Insurance if individual Limits of Insurance are selected for Coverages 2 and 3, or if one of these Coverages is not applicable.					
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.					

Section I - Property is amended as follows:

A. Each Coverage - Coverage 1, Coverage 2 and Coverage 3 - is provided under this endorsement only if that Coverage(s) is chosen by entry in the above Schedule and then only with respect to the building identified for the Coverage(s) in the Schedule.

B. Application Of Coverage(s)

The Coverage(s) provided by this endorsement applies only if both **B.1.** and **B.2.** are satisfied and are then subject to the qualifications set forth in **B.3.**

1. The ordinance or law:
 - a. Regulates the demolition, construction or repair of buildings, or establishes zoning or land use requirements at the described premises; and
 - b. Is in force at the time of loss.

But coverage under this endorsement applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered under this endorsement.

2. The building sustains direct physical damage:
 - a. That is covered under this policy and as a result of such damage, you are required to comply with the ordinance or law; or
 - b. That is covered under this policy and direct physical damage that is not covered under this policy, and as a result of the building damage in its entirety, you are required to comply with the ordinance or law.
 - c. But if the damage is not covered under this policy, and such damage is the subject of the ordinance or law, then there is no coverage under this endorsement even if the building has also sustained covered direct physical damage.
3. In the situation described in **B.2.b.** above, we will not pay the full amount of loss otherwise payable under the terms of Coverages 1, 2 and/or 3 of this endorsement. Instead, we will pay a proportion of such loss, meaning the proportion that the covered direct physical damage bears to the total direct physical damage.
(Section H. of this endorsement provides an example of this procedure.)

However, if the covered direct physical damage alone would have resulted in a requirement to comply with the ordinance or law, then we will pay the full amount of loss otherwise payable under terms of Coverages 1, 2 and/or 3 of this endorsement.

C. We will not pay under Coverage 1, 2 or 3 of this endorsement for:

1. Enforcement of or compliance with any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungi", wet rot or dry rot; or
2. The costs associated with the enforcement of or compliance with any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungi", wet rot or dry rot.

D. Coverage

1. **Coverage 1 - Coverage For Loss To The Undamaged Portion Of The Building**

With respect to the building that has sustained covered direct physical damage, we will pay under Coverage 1 for the loss in value of the undamaged portion of the building as a consequence of a requirement to comply with an ordinance or law that requires demolition of undamaged parts of the same building. Coverage 1 is included within the Limit Of Insurance shown in the Declarations as applicable to the covered building. Coverage 1 does not increase the Limit of Insurance.

2. **Coverage 2 - Demolition Cost Coverage**

With respect to the building that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building, as a consequence of a requirement to comply with an ordinance or law that requires demolition of such undamaged property.

Paragraph E.5.d. **Loss Payment** Property Loss Condition does not apply to Demolition Cost Coverage.

3. **Coverage 3 - Increased Cost Of Construction Coverage**

With respect to the building that has sustained covered direct physical damage, we will pay the increased cost to:

- a. Repair or reconstruct damaged portions of that building; and/or
- b. Reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

when the increased cost is a consequence of a requirement to comply with the minimum standards of the ordinance or law.

However:

- a. This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law.
- b. We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

Paragraph E.5.d. **Loss Payment** Property Loss Condition does not apply to the **Increased Cost Of Construction Coverage**.

E. **Loss Payment**

1. All following loss payment Provisions E.2. through E.5. are subject to the apportionment procedure set forth in Section B.3. of this endorsement:

2. When there is a loss in value of an undamaged portion of a building to which Coverage 1 applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:

a. If the property is repaired or replaced on the same or another premises, we will not pay more than the lesser of:

- (1) The amount you actually spend to repair, rebuild or reconstruct the building, but not for more than the amount it would cost to restore the building on the same premises and to the same height, floor area, style and comparable quality of the original property insured; or
- (2) The Limit Of Insurance shown in the Declarations as applicable to the covered building.

b. If the property is **not** repaired or replaced, we will not pay more than the lesser of:

- (1) The actual cash value of the building at the time of loss; or

- (2) The Limit Of Insurance shown in the Declarations as applicable to the covered building.
3. Unless Paragraph E.5. applies, loss payment under Coverage 2 - Demolition Cost Coverage will be determined as follows:
We will not pay more than the lesser of the following:
- a. The amount you actually spend to demolish and clear the site of the described premises; or
 - b. The applicable Limit Of Insurance shown for Coverage 2 in the Schedule above.
4. Unless Paragraph E.5. applies, loss payment under Coverage 3 - Increased Cost Of Construction Coverage will be determined as follows:
- a. We will not pay under Coverage 3:
 - (1) Until the property is actually repaired or replaced, at the same or another premises; and
 - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - b. If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay under Coverage 3 is the lesser of:
 - (1) The increased cost of construction at the same premises; or
 - (2) The applicable Limit Of Insurance shown for Coverage 3 in the Schedule above.
 - c. If the ordinance or law requires relocation to another premises, the most we will pay under Coverage 3 is the lesser of:
 - (1) The increased cost of construction at the new premises; or
 - (2) The applicable Limit Of Insurance shown for Coverage 3 in the Schedule above.
5. If a Combined Limit Of Insurance is shown for Coverages 2 and 3 in the Schedule above, Paragraphs E.2. and E.3. of this endorsement do not apply with respect to the building property that is subject to the Combined Limit, and the

following loss payment provisions apply instead:

The most we will pay, for the total of all covered losses for Demolition Cost and Increased Cost Of Construction, is the Combined Limit Of Insurance shown for Coverages 2 and 3 in the Schedule above. Subject to this Combined Limit of Insurance, the following loss payment provisions apply:

- a. For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described premises.
 - b. With respect to the Increased Cost Of Construction:
 - (1) We will not pay for the increased cost of construction:
 - (a) Until the property is actually repaired or replaced, at the same or another premises; and
 - (b) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (2) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the same premises.
 - (3) If the ordinance or law requires relocation to another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the new premises.
- F. The terms of this endorsement apply separately to each building to which this endorsement applies.
- G. Under this endorsement, we will not pay for loss due to any ordinance or law that:
1. You were required to comply with before the loss, even if the building was undamaged; and
 2. You failed to comply with.
- H. Example of Proportionate Loss Payment for Ordinance or Law Coverage Losses (procedure as set forth in Section B.3. of this endorsement).

Assume:

- Wind is a Covered Cause of Loss. Flood is an excluded Cause of Loss;
- The building has a value of \$200,000;
- Total direct physical damage to building: \$100,000;
- The ordinance or law in this jurisdiction is enforced when building damage equals or exceeds 50% of the building's value;
- Portion of direct physical damage that is covered (caused by wind): \$30,000;
- Portion of direct physical damage that is not covered (caused by flood): \$70,000; and
- Loss under Ordinance or Law Coverage 3 of this endorsement: \$60,000.

Step 1: Determine the proportion that the covered direct physical damage bears to the total direct physical damage.

$$\$30,000 \text{ divided by } \$100,000 = .30$$

Step 2: Apply that proportion to the Ordinance or Law loss.

$$\$60,000 \times .30 = \$18,000$$

In this example, the most we will pay under this endorsement for the Coverage 3 loss is \$18,000, subject to the applicable Limit of Insurance and any other applicable provisions.

NOTE: The same procedure applies to losses under Coverages 1 and 2 of this endorsement.

- I. If shown as applicable in the Schedule of this endorsement, the following applies:

Business Income And Extra Expense Optional Coverage

1. If a Covered Cause of Loss occurs to property at the premises described in the Declarations, coverage is extended to include the amount of actual and necessary loss you sustain during the increased period of suspension of your "operations" caused by or resulting from a requirement to comply with any ordinance or law that:
 - a. Regulates the construction or repair of any property;
 - b. Requires the tearing down of parts of any property not damaged by a Covered Cause of Loss; and

- c. Is in force at the time of loss.

However, coverage is not extended under this endorsement to include loss caused by or resulting from the enforcement of or compliance with any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

2. Paragraph H.9. Period Of Restoration Definition is replaced by the following:

9. "Period of restoration" means the period of time that:

- a. Begins:

- (1) 72 hours after the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the described premises, unless a lesser number of hours is shown in the Schedule of this endorsement; or

- (2) Immediately after the time of the direct physical loss or damage for Extra Expense Coverage caused by or resulting from any Covered Cause of Loss at the described premises; and

- b. Ends on the earlier of:

- (1) The date when the property at the described premises should be repaired, rebuilt or replaced with reasonable speed and similar quality; or

- (2) The date when business is resumed at a new permanent location.

"Period of restoration" includes any increased period required to repair or reconstruct the property to comply with the minimum standards of any ordinance or law, in force at the time of loss, that regulates the construction or repair, or requires the tearing down of any property.

The expiration date of this policy will not cut short the "period of restoration".

Deductible:	\$
Pending Or Prior Litigation Date:	Retroactive Date:
<input type="checkbox"/> Extended Reporting Period	
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

For the purposes of the coverage provided by this endorsement, **Section II - Liability** is amended as follows:

A. The following are added to Paragraph A. Coverages:

1. **Insuring Agreement - Management Liability**

a. We will pay on behalf of an "insured person" any "loss" which the "insured person" becomes legally obligated to pay as a result of a "claim" first made against that "insured person" during the policy period or during the Extended Reporting Period, if purchased, as described in Paragraph G., except to the extent that the "association" has indemnified the "insured person" for such "loss".

However, this insurance applies only to a "claim" arising out of a "wrongful act" committed by the "insured person" which occurs on or after the Retroactive Date, if any, shown in the Schedule, and before the end of the policy period.

b. If a "claim" against an "insured person" includes a "claim" against the "insured person's" spouse (whether such status is derived by reason of statutory or common law, or any other law of any country) solely by reason of:

(1) Such spousal status; or

(2) Such spouse's ownership interest in property or assets that are sought as recovery for the "wrongful act" committed or allegedly committed by the "insured person";

all "loss" which such spouse becomes legally obligated to pay by reason of such "claim" will be treated for the purposes of this endorsement as "loss" which the "insured person" becomes legally obligated to pay as a result of the "claim" made against such "insured person". Such "loss" to the spouse will be covered under this endorsement only if and to the extent that such "loss" would be covered if incurred by the "insured person".

However, this Paragraph b. does not apply to a "claim" arising out of any "wrongful act" committed or allegedly committed by the "insured person's" spouse.

c. This insurance also applies to "claims" arising out of the "wrongful acts" of an "insured person" made against:

(1) The estate, heirs or legal representatives of a deceased "insured person"; and

(2) The legal representative of that "insured person" in the event of incompetency, insolvency or bankruptcy.

However, this Paragraph c. only applies to "claims" if and to the extent that, in the absence of such death, incompetency, insolvency or bankruptcy of the "insured person", such "claims" would have been covered by this insurance according to all applicable terms, conditions and exclusions.

2. Insuring Agreement - Association Reimbursement

We will pay on behalf of the "association" any "loss" for which the "association" has indemnified an "insured person", as permitted or required by law, and which the "insured person" becomes legally obligated to pay as a result of a "claim" first made against that "insured person" (or an "insured person's" spouse or any other party granted the rights of an "insured person" under Paragraph 1.) during the policy period or during the Extended Reporting Period, if purchased, as described in Paragraph G.

However, this insurance applies only to a "claim" arising out of a "wrongful act" committed by the "insured person" which occurs on or after the Retroactive Date, if any, shown in the Schedule, and before the end of the policy period.

3. Insuring Agreement - Association Liability

We will pay on behalf of the "association" any "loss" which the "association" becomes legally obligated to pay as a result of a "claim" first made against the "association" during the policy period or during the Extended Reporting Period, if purchased, as described in Paragraph G.

However, this insurance applies only to a "claim" arising out of a "wrongful act" committed by the "association" which occurs on or after the Retroactive Date, if any, shown in the Schedule, and before the end of the policy period.

4. Defense And Settlement

We will have the right and duty to defend any "claim" made against the insured under Paragraph A. of this endorsement. However, we will have no duty to defend the insured against any "claim" because of a "wrongful act" to which this insurance does not apply. We may, at our discretion, investigate any incident that may result in a "loss". We may, with your written consent, settle any "claim".

All "claims" arising out of the same "wrongful act" or "interrelated wrongful acts" committed

by one or more "insured persons" shall be considered a single "claim". Such single "claim" shall be deemed to be first made on the date the initial "claim" arising out of such "wrongful act" or "interrelated wrongful acts" was first made pursuant to Paragraph E. or notice of such "wrongful act" or "interrelated wrongful acts" was first reported pursuant to Paragraph E.

B. For the purposes of the coverage provided by this endorsement, Paragraph B. Exclusions, Subparagraph 1. Applicable To Business Liability Coverage is replaced by the following:

- i. Arising out of any actual or alleged failure or omission on the part of any insured to effect or maintain insurance.
- j. Arising out of any "wrongful act" committed or allegedly committed by any "insured person" serving in any position or capacity in any organization or association other than the "association" even if the "association" directed or requested that "insured person" to serve in such other position or capacity.
- k. Brought by or on behalf of the "association" or any "insured person", in any capacity, except:
 - (1) A "claim" that is a derivative action brought on behalf of the "association" by one or more unit-owners who are not "insured persons" and who bring the "claim" without the solicitation, assistance or participation of any "insured person" or the "association"; or
 - (2) A "claim" arising out of a "wrongful employment practices act".

- n. Arising out of "personal and advertising injury".
- o. Arising out of:
 - (1) The actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants" at any time;

- p. Arising out of "wrongful acts" in the selection or direct or indirect supervision of any contractor or subcontractor liable or alleged to be liable for any defect in construction at any premises insured under this policy.

A "wrongful act" committed by any "insured person" shall not be imputed to any other "insured person" for purposes of applying the exclusions set forth in this Paragraph B.
- C. For the purposes of the coverage provided by this endorsement, Paragraph C. **Who Is An Insured** is replaced by the following:
 - 1. The "association" is an insured.
 - 2. "Insured persons" are insureds.
- D. For the purposes of the coverage provided by this endorsement, Paragraph D. **Liability And Medical Expenses Limits Of Insurance** is replaced by the following:
 - 1. **Annual Aggregate Limit Of Insurance**

 - a. Insureds;
 - b. "Claims" made or "suits" brought; or
 - c. Persons, organizations or government agencies making "claims" or bringing "suits".

If the aggregate Limit of Insurance is exhausted by the payment of "loss", we will have no further obligations or liability of any kind under this endorsement.

"Claims expenses" are part of the "loss" and are payable within the Limit of Insurance shown in the Schedule, thereby reducing that Limit.

2. Deductible

Subject to Paragraph D.1. of this endorsement, we will pay only that amount of "loss" which is in excess of the Deductible shown in the Schedule. The Deductible will be borne by the insureds, uninsured and at their own risk. A single deductible will apply to all "loss" resulting from all "claims" alleging the same "wrongful acts" or "interrelated wrongful acts".

If the "association" is permitted or required by law to indemnify an "insured person" for "loss", but fails or refuses, other than for reason of "financial insolvency", then our payment for such "loss" will not be subject to any deductible and the "association" shall be responsible for, and shall hold us harmless from, and shall reimburse us for such "loss" up to the deductible shown in the Schedule.

- E. For the purposes of the coverage provided by this endorsement, the **Duties In The Event Of Occurrence, Offense, Claim Or Suit** condition is replaced by the following:

- F. For the purposes of the coverage provided by this endorsement, the following is added to Paragraph E. **Liability And Medical Expenses General Conditions:**

Consent To Settle

If we recommend a settlement to the insured which is acceptable to the claimant, but to which the insured does not consent, the most we will pay as damages in the event of any later settlement or judgment is the amount for which the "claim" could have been settled, to which the insured did not give consent, plus "claims expenses" incurred as of the date such settlement was proposed in writing by us to the insured.

1. We will pay for direct physical damage to Covered Property that is the direct result of an "accident" or "electronic circuitry impairment". We will consider "electronic circuitry impairment" to be physical damage to "covered equipment".
2. Unless otherwise shown in a "schedule", the following coverages also apply to the direct result of an "accident" or "electronic circuitry impairment". However, with respect to coverage 2.i. Service Interruption below and any Dependent Properties coverage provided by this policy, coverage will apply only to the direct result of an "accident" and will not apply to the direct result of an "electronic circuitry impairment". These coverages do not provide additional amounts of insurance.

a. Business Income and Extra Expense

- (1) Any insurance provided under the policy for Business Income or Extra Expense is extended to the coverage provided by this endorsement. However, if a deductible is shown in a "schedule", then with respect to this endorsement only, the "period of restoration" will begin immediately after the "accident" or "electronic circuitry impairment", and the deductible shown in the "schedule" will apply.

This includes the additional costs to clean up or dispose of such property. This does not include spoilage of personal property that is "perishable goods" to the extent that spoilage is covered under Spoilage coverage.

"accident" or "electronic circuitry impairment" may occur in any country except one in which the United States has imposed sanctions, embargoes or similar restrictions on the provision of insurance.

- (2) We will also pay for your reasonable and necessary cost to research, replace and restore lost "data" contained within "covered equipment" as described under (1) above. This amount may not exceed the limit applicable to Data Restoration coverage.

- (1) Any insurance provided for Business Income, Extra Expense, Data Restoration or Spoilage is extended to apply to your loss, damage or expense caused by a failure or disruption of service. The failure or disruption of service must be caused by an "accident" to equipment, including overhead transmission lines, that is owned by a utility, landlord, a landlord's utility or other supplier who provides you with any of the following services: electrical power, waste disposal, air conditioning, refrigeration, heating, natural gas, compressed air, water, steam, Internet access, telecommunications services, "cloud computing services", wide area networks or data transmission. The equipment must meet the definition of "covered equipment" except that it is not Covered Property.
- (2) "Cloud computing services" must be provided by a professional provider with whom you have a contract.
- (3) With respect to the Data Restoration portion of this Service Interruption coverage, coverage will also apply to "data" stored in the equipment of a provider of "cloud computing services".

Otherwise our payment will be determined in accordance with the Loss Payment condition.
- (3) The most we will pay for loss, damage or expense under this coverage is \$25,000 unless otherwise shown in a "schedule".

B. The following is added to Paragraph B. Exclusions:

All exclusions in the Businessowners Coverage Form apply except as modified below and to the extent that coverage is specifically provided by this endorsement.

1. The following exclusions are modified:

However, this exclusion does not apply to spoilage of personal property that is "perishable goods", to the extent that such spoilage is covered under Spoilage coverage.

- b. We will not pay for loss, damage or expense under any coverage until the amount of the covered loss, damage or expense exceeds the

deductible amount indicated for that coverage in the "schedule". We will then pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit.

- c. If deductibles vary by type of "covered equipment" and more than one type of "covered equipment" is involved in any "one equipment breakdown", only the highest deductible for each coverage will apply.

2. Direct and Indirect Coverages

- a. Direct Coverages Deductibles and Indirect Coverages Deductibles may be indicated in the "schedule".

- b. Unless more specifically indicated in the "schedule":

3. Application of Deductibles

- a. Dollar Deductibles

- c. Multiple of Average Daily Value (ADV)

If a deductible is expressed as a number times ADV, that amount will be calculated as follows:

The ADV (Average Daily Value) will be the Business Income (as defined in any Business Income coverage that is part of this policy) that would have been earned during the period of interruption of business had no "accident" or "electronic circuitry impairment" occurred, divided by the number of working days in that period. No reduction shall be made for the Business Income not being earned, or in the number of working days, because of the "accident" or "electronic circuitry impairment" or any other scheduled or unscheduled shutdowns during the period of interruption. The ADV applies to the Business Income value of the entire location, whether or not the loss affects the entire location. If more than one location is included in the valuation of the loss, the ADV will be the combined value of all affected locations. For purposes of this calculation, the period of interruption may not extend beyond the "period of restoration". The number indicated in the "schedule" will be multiplied by the ADV as determined above. The result shall be used as the applicable deductible.

d. Percentage of Loss Deductibles

If a deductible is expressed as a percentage of loss, we will not be liable for the indicated percentage of the gross amount of loss, damage or expense (prior to any applicable deductible or coinsurance) insured under the applicable coverage. If the dollar amount of such percentage is less than the indicated minimum deductible, the minimum deductible will be the applicable deductible.

D CONDITIONS

1. The following conditions are in addition to the **Conditions** in the Businessowners Coverage Form.

a. Suspension

Whenever "covered equipment" is found to be in, or exposed to, a dangerous condition, any of our representatives may immediately suspend the insurance against loss from an "accident" or "electronic circuitry impairment" to that "covered equipment". This can be done by mailing or delivering a written notice of suspension to:

- (1) Your last known address; or

- (2) The address where the "covered equipment" is located.

Once suspended in this way, your insurance can be reinstated only by an endorsement for that "covered equipment". If we suspend your insurance, you will get a pro rata refund of premium for that "covered equipment" for the period of suspension. But the suspension will be effective even if we have not yet made or offered a refund.

b. Jurisdictional Inspections

If any property that is "covered equipment" under this endorsement requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

2. As respects this endorsement only, **Loss Payment Condition 5.d.** in the Businessowners Coverage Form is deleted and replaced with the following:

d. We will determine the value of Covered Property as follows:

- (1) Except as specified otherwise, our payment for damaged Covered Property will be the smallest of:

- (a) The cost to repair the damaged property;
- (b) The cost to replace the damaged property on the same site; or
- (c) The amount you actually spend that is necessary to repair or replace the damaged property.

- (2) The amount of our payment will be based on the most cost-effective means to replace the function, capacity and remaining useful life of the damaged property. This may include the use of generic, used or reconditioned parts, equipment or property.

- (3) Except as described in (4) below, you must pay the extra cost of replacing damaged property with property of a better kind or quality or of a different size or capacity.

(4) Environmental, Safety and Efficiency Improvements

If "covered equipment" requires replacement due to an "accident" or "electronic circuitry impairment", we will pay your additional cost to replace with equipment that is better for the environment, safer for people or more energy or water efficient than the equipment being replaced. However, we will not pay to increase the size or capacity of the equipment and we will not pay more than 150% of what the cost would have been to replace with like kind and quality. This provision does not apply to the replacement of component parts or to any property to which Actual Cash Value applies and does not increase any of the applicable limits.

(5) The following property will be valued on an Actual Cash Value basis:

- (a) Any property that does not currently serve a useful or necessary function for you;
- (b) Any Covered Property that you do not repair or replace within 24 months after the date of the "accident" or "electronic circuitry impairment"; and
- (c) Any Covered Property for which Actual Cash Value coverage is specified in a "schedule".

Actual Cash Value includes deductions for depreciation.

(6) If any one of the following conditions is met, property held for sale by you will be valued at the sales price as if no loss or damage had occurred, less any discounts and expenses that otherwise would have applied:

- (a) The property was manufactured by you;
- (b) The sales price of the property is less than the replacement cost of the property; or
- (c) You are unable to replace the property before its anticipated sale.

(7) Except as specifically provided for under Data Restoration coverage, "data" and "media" will be valued on the following basis:

- (a) For mass-produced and commercially available software, at the replacement cost.
- (b) For all other "data" and "media", at the cost of blank "media" for reproducing the records. We will not pay for "data" representing financial records based on the face value of such records.

E. DEFINITIONS

The following definitions are added with respect to this endorsement only:

1. "Accident"

a. "Accident" means a fortuitous event that causes direct physical damage to "covered equipment". The event must be one of the following:

- (1) Mechanical breakdown, including rupture or bursting caused by centrifugal force;
- (2) Artificially generated electrical current, including electric arcing, that disturbs electrical devices, appliances or wires;
- (3) Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control;

b. None of the following is an "accident":

- (2) Misalignment, miscalibration, tripping off-line, or any condition which can be corrected by re-setting, tightening, adjusting or cleaning, or by the performance of maintenance.

However, if an "accident" results, we will pay for the resulting loss, damage or expense caused by that "accident".

- 2. "Animal" means any creature of the kingdom Animalia. This includes, but is not limited to, amphibians, birds, fish, insects, mammals, reptiles, and worms.
- 3. "Boilers and vessels" means:
 - a. Any boiler, including attached steam, condensate and feed water piping; and

This term does not appear elsewhere in this endorsement, but may appear in a "schedule".

This includes services known as IaaS (infrastructure as a service), PaaS (platform as a service), SaaS (software as a service) and NaaS (network as a service). This includes business models known as public clouds, community clouds and hybrid clouds. "Cloud computing services" include private clouds if such services are owned and operated by a third party.
- 5. "Covered equipment"
 - a. "Covered equipment" means, unless otherwise specified in a "schedule", Covered Property:
 - (1) That generates, transmits or utilizes energy; or
 - (2) Which, during normal usage, operates under vacuum or pressure, other than the weight of its contents.

"Covered equipment" may utilize conventional design and technology or new or newly commercialized design and technology.
 - b. None of the following is "covered equipment":

- (7) Dragline, excavation or construction equipment; or

- 6. "Data" means information or instructions stored in digital code capable of being processed by machinery.
- 7. "Electronic circuitry" means microelectronic components, including but not limited to circuit boards, integrated circuits, computer chips and disk drives.
- 8. "Electronic circuitry impairment"
 - a. "Electronic circuitry impairment" means a fortuitous event involving "electronic circuitry" within "covered equipment" that causes the "covered equipment" to suddenly lose its ability to function as it had been functioning immediately before such event. This definition is subject to the conditions specified in b., c. and d. below.
 - b. We shall determine that the reasonable and appropriate remedy to restore such "covered equipment's" ability to function is the replacement of one or more "electronic circuitry" components of the "covered equipment".
 - c. The "covered equipment" must be owned or leased by you, or operated under your control.
 - d. None of the following is an "electronic circuitry impairment":
 - (1) Any condition that can be reasonably remedied by:
 - (a) Normal maintenance, including but not limited to replacing expendable parts, recharging batteries or cleaning;

- (b) Rebooting, reloading or updating software or firmware; or
 - (c) Providing necessary power or supply.
- (2) Any condition caused by or related to:
- (a) Incompatibility of the "covered equipment" with any software or equipment installed, introduced or networked within the prior 30 days; or
 - (b) Insufficient size, capability or capacity of the "covered equipment".
- (3) Exposure to adverse environmental conditions, including but not limited to change in temperature or humidity, unless such conditions result in an observable loss of functionality. Loss of warranty shall not be considered an observable loss of functionality.
9. "Hazardous substance" means any substance that is hazardous to health or has been declared to be hazardous to health by a governmental agency.
10. "Media" means material on which "data" is recorded, such as solid state drives, hard disks, optical disks, flash drives, magnetic tapes or floppy disks.
11. "One equipment breakdown" means: If an initial "accident" or "electronic circuitry impairment" causes other "accidents" or "electronic circuitry impairments", all will be considered "one equipment breakdown". All "accidents" or "electronic circuitry impairments" that are the result of the same "accident" or "elec-

tronic circuitry impairment" will be considered "one equipment breakdown".

12. "Perishable goods" means personal property maintained under controlled conditions for its preservation, and susceptible to loss or damage if the controlled conditions change.
13. "Production machinery" means any machine or apparatus that processes or produces a product intended for eventual sale. This includes all component parts of such machine or apparatus and any other equipment used exclusively with such machine or apparatus. However, "production machinery" does not mean any boiler, or fired or unfired pressure vessel.
14. "Schedule" means the Equipment Breakdown Coverage Schedule.
15. "Vehicle" means any machine or apparatus that is used for transportation or moves under its own power. "Vehicle" includes, but is not limited to: car, truck, bus, trailer, train, aircraft, watercraft, forklift, bulldozer, tractor or harvester.

This term does not appear elsewhere in this endorsement, but may appear in a "schedule".

However, any property that is stationary, permanently installed at a covered location and that receives electrical power from an external power source will not be considered a "vehicle".

The most we will pay for loss, damage or expense under this endorsement arising from any "one equipment breakdown" is the applicable Limit of Insurance in the Declarations unless otherwise shown in a "schedule". Coverage provided under this endorsement does not provide an additional amount of insurance.
