

SUMMIT RIDGE PARKING REGULATIONS
EFFECTIVE 2/6/2019

1. All vehicles parked overnight must be registered and licensed. A Google Doc will be created and shared amongst the owners. The doc will contain plate #, contact info, unit associated with vehicle.
2. All vehicles must be in operable condition.
3. All vehicles must be moved every 72 hours.
4. No parking or storage of anything other than licensed, permitted vehicles, such as trailers or snowmobiles or machinery of any kind.

SPECIAL WINTER REGULATIONS

1. No overnight parking in front of the building, against the building.
2. Owners of all vehicles parked in back of building must be prepared to move vehicles within 24 hours of notification to move.
3. No parking in snow storage area.
4. No parking in area of dumpster that will prevent trash removal.

**ANY VIOLATIONS OF THE ABOVE WILL BE SUBJECT
TO TOWING AT OWNER'S EXPENSE**
